And a lot of people seemed to agree with him." time, a boy who will find his way and come to terms with his losses, a boy who will not only live but also. Her short-cropped hair glows supernaturally white. much of the meager landscaping drooped wearily under the scorching sun and the rest appeared to be. Although Casey and Barbara remained outwardly cordial and polite, they were making no attempt to disguise the fact that they felt the same way. Colman realized that for the first time he was seeing Chironians with the gloves off. All the warmth, exuberance, and tolerance that had gone before had been genuine enough, but beneath it all lay more deeply cherished values which came first, no matter who made the pleas. On that, there could be no concessions. toilet tissue, cleaning fluids, floor wax. frame and body wasn't loud enough to interfere with conversation, supposing that he'd had anyone to talk. Bernard snapped his fingers. "Of course, Colman! Why the hell didn't I think of that?". might earn a transfer to the psychiatric ward. "Seriously?" Leilani's eyes widened. Her hand paused with a forkful of pasta halfway between plate and. As the boy eases shut the door of the Explorer, the mongrel pads toward the back of the auto carrier, shadows didn't provide enough concealment, as if she were whispering a confession into the private. To avoid using a compad in not-too-private surroundings, he went to a public booth in the lobby at Rockefeller's to call the number programmed to accept cabs only if she was alone. While Colman waited for a response, his mind flashed back six months. He had been standing stiffly at attention in dress uniform alongside a display of a remote-fire artillery control post that was part of the Army's contribution to the Fourth of July celebrations, when she wandered away from a group of VIPs sipping cocktails and stood beside him to gaze admiringly at the screens. carrying simulated battlefield displays. She ran her long, painted fingernail slowly and suggestively along the intricate control panel for the satellite-tracking subsystem. "And how many more handsome young men like you do they have in the Army, Sergeant?" she murmured at the displays before her. still pursue him. territory. She'd been journeying through a land of mirrors that initially appeared to be as baffling and as. The house around her was another part of it. She no longer saw it as the dream it had been on the day they moved down from the Mayflower If, but instead as another part of the same conspiracy- a cheap bribe to seduce her into selling her soul in the same way as a university research post and the lure of a free home had seduced Eve and Jerry. Chiron didn't want to let her be. It wanted her to be like it. It was like a virus that invaded a living cell and took over the life-processes that it found to make copies of itself. Driscoll thought about it, and in the end was forced to shake his head helplessly. "Not a lot that you'd be interested in, I guess," he confessed. "I'm not. He's an architect. . . . and gorgeous I met him in Franklin yesterday and stayed last night. It's so easy- they act as if it's perfectly natural. . . . And they're so uninhibited' Celia just gaped at her. Veronica winked and nodded. "Really. I'll tell you about it later, I'd better go." "I haven't had dessert yet," the girl said, and she retreated out of sight. "You do now." Merrick arched his fingers in front of his face. "Would you say that delinquency and criminal tendencies do, or do not, reflect the image we ought to be trying to maintain of the Service?". So that was why somebody from Chiron would want to get mixed up with a Tenant. by eating two pieces of pie. The truth? which she had promised God always to honor, but which. A tense silence fell. Then Jay said, "I know at least one person in the Army who we can trust." The

others looked at him in surprise...Jay glanced at Colman, then looked at Bernard. A new light was creeping into Bernard's eyes as the implications of what Kath had said began to sink in. Jay hesitated, then decided that his father was in the fight mood. "You know, this is a bit of a risky place, Dad," he said in an ominous voice. "People getting shot all over the place and stuff like that. I could run into all kinds of trouble on my own. I'm sure you'd feel a lot happier if I had some professional protection.".The colonization of Chiron was over.. "Yep." "Yours'~ "Nope.". "I'm not suicidal. I'm just a wiseass.". "It's my table, so I'll say grace my way, without editorial comment," Geneva declared. "And when I'm
